4 STEPS FOR LIFE. Ambulance Victoria has developed a quick 4 Step Program for CPR. 3,500 Cardiac Arrests occur each year. This simple 20 minute Program could save your life or others. The Program is free to U3A members and partners. Register your interest at the AGM. Remember any CPR is better than no CPR.

CLASS CO ORDINATOR

Welcome to all our Members. We hope you have enjoyed participating in U3A classes this Term and are enthusiastically looking forward to another great Term of activities, starting on October 8th, 2012. Class participation allows us to extend and share knowledge and skills and get to know new people in a friendly, social environment.

Prospective new members, wishing to find out more about a specific class, are welcome to call the Tutor for information, or to attend a class before joining.

Creswick and District U3A have 16 classes to offer members in Term 4. These classes cater for a broad range of interests and skills.

Again we thank our Tutors for the wonderful job that they do. U3A Creswick relies on Tutors volunteering their experience, qualifications, ability or interests to run classes. If you are interested in becoming a class Tutor and sharing your area of expertise, please ring Helen - 5345 1405 or Bill - 5345 2995, for further information.
