Hello and welcome to our 4th Term for 2012.

Creswick U3A has enjoyed offering a wide variety of activities for its members this year and maybe we can even tempt you to try a new activity in Term 4.

Again, thank you to our Tutors and a special "Thank You" to Carmel, Carol and Marie, for taking classes while Tutors were holidaying during Term 3.

The arrival of Spring and the promise of Summer to come, will hopefully inspire us to join and enjoy more activities this Term, culminating with the ever popular Christmas break up.

If you feel you would like to run a class or activity next year, let us know and we can work out a time line to suit you. Maybe you would like to run a 'one off' day class or classes for one or more Terms or for the full year.

You may have expertise, an interest or knowledge in a particular field that you would like to share and explore together with a group of like minded people. We would love to hear from you. Wishing everyone a great Term 4.

Class Co-ordinator,
Helen Cook

Mahjong

A group of Mahjong devotees warn the game is addictive and say they would not miss the Monday game. Mahjong is a combination of skill and luck but even if you possess neither you can have a great time. New players are always welcome.

U3A Newsletter, Class timetable and list of "World Movies"

is available both on the web site and by hard copy. Members who have requested a hard copy of the newsletter will be kept up to date with events, etc. between Newsletters.

Laughter is the cheapest luxury that man has. It stirs the blood, expands the chest, electrifies the nerves, clears away the cobwebs from the brain and gives the whole system a cleansing rehabilitation

The Obedient Wife

There was a man, who worked all his life, had saved all his money, he was a real miser when it came to spending it. Just before he died, he said to his wife, 'When I die, I want you to take all my money and put it in the casket with me. I worked for it it is mine and I'm taking it to the afterlife with me.'

He got his wife to promise him with all her heart, that when he died, she would put all his money into the casket with him. Well, he died. Laying there in the casket, his wife dressed in black, sat beside him. The ceremony finished and just before the undertakers closed the casket, the wife stopped them and dutifully put the metal box in the casket. The undertakers then locked the casket and rolled it away.

Her friend, sitting beside her, said 'Surely you were not foolish enough to put all that money in the casket with your husband?'

The loyal wife replied, 'I'm an obedient wife, that was my dear husband's last wish. I cannot go back on my word. I promised him I would put all his money in the casket with him.' 'You mean you really did bury him with all his money?'

I sure did', said the wife. 'I got it all together, put it into my bank account, wrote him a cheque, if he can cash it, he can spend it!!'
